Nordeg Days | Mountains & Mines Market Information

Nordeg Days is our largest and most energetic market of the year, serving as a celebration of outdoor culture, heritage, and adventure in the North Saskatchewan headwaters. Vendor selection prioritizes outdoor- and adventure-adjacent goods, experiential vendors, and a strong, curated food-truck presence.

This market is fully outdoors and operates in a high-traffic environment. Vendor layout, vehicle placement, and space allocation are carefully managed to support safety and flow.

You need to provide your own tent / canopy, tables, chairs and display materials. Canopies must be weighted with 20lbs. per corner minimum, weights should be tethered to the canopy - not just around the legs. Sidewalls / tarps are recommended for wet weather. You are responsible for ALL waste disposal within your space.
