

## NORDEGG WASTE REMOVAL

### Are you visiting Nordegg? Maybe you have a property here?

A Friendly Reminder to Be A Good Neighbor....

Please note that the garbage bins in town are only emptied once per week by the County. All other maintenance of the garbage and bottle bin sites are done by NCA volunteers.

If the town bins are full and the lids don't close... don't put your garbage in them! Or beside them!! Do not put garbage in the blue recycle bins. The Blue Recycle bins are for cans only!! Any glass goes in the container beside the bins.

If you have property in Nordegg, please take your garbage home and use the Waste Transfer site to dispose of your garbage.

### If you pack it in, please pack it out!

Our local volunteers work very hard so you can enjoy your time in Nordegg. *Lets keep Nordegg clean and the bears safe by being smart with attractants like garbage.*

### Nordegg Waste Transfer Site

SW 32-40-15-W5 North on the Trunk Road 734 / Hwy 40
